

Method of Becoming Elector Candidate.

Texas Election Code, Title 11, Section 192.003.

https://texas.public.law/statutes/tex._election_code_section_191.003

To become a
presidential elector candidate,
a person must be

nominated as a political party's elector candidate in accordance with
party rules or

named as an elector candidate
by an independent or
write-in candidate for president.
